

**Mark  
Espinosa,  
President of  
the UFCW  
New  
England  
Council  
Requests  
Negotiations  
For Hazard  
Pay For  
Stop &**

On November 16<sup>th</sup>, on behalf of the UFCW New England Council, President Espinosa sent a letter to Stop & Shop Vice President of Labor Relations, Robert Spinella request to negotiate “Hazard Pay” on behalf of Stop & Shop frontline workers.

The number of infection rates has been going up all across the country while members have seen a decrease in the number of customers wearing masks and less social distancing practices been followed correctly. The stores have also seen a decrease in regular cleaning and sanitizing protocols taking place.

We will let you know if and when Stop & Shop responds to President Espinosa request. Until then, stay safe.
